Food Contact Guidelines:

The Food Compliance Guidance for food contact suitability of paper, corrugated products, and published food contact articles provide a harmonised approach to industry self-regulation. Ankutsan uses this document as a guide in the production of packaging that comes into contact with food.

* : https://www.cepi.org/wp-content/uploads/2020/09/Food-Contact-Guidelines_2019.pdf

Good Manufacturing Practice:

Ankutsan manages its processes in accordance with the (EC) No 2023/2006 (22 December 2006 on Good Manufacturing Practice for Materials and Articles Intended to Come into Contact with Food) regulation at every stage of the supply chain and process.

Analyzes:

Reference samples were taken from products that will come into direct contact with food, such as pizza, fresh vegetables and fruits, and analysis was performed.

Turkish Food Codex Regulation on Substances and Materials in Contact with Food, Annex-3

According to the Turkish Food Codex Regulation on Substances and Materials in Contact with Food, Annex-3, the results of the analysis performed on the reference samples were approved. Reports result is "not detected"
